

TREMONT NEWSLETTER

FALL 2018

Dear Homeowners,

We as the Tremont HOA are working to improve our neighborhood. We have recently acquired a full board to assist the President. We as an HOA and as your neighbors, know that communication has been a shortcoming and we aim to improve this year. We will be releasing a seasonal newsletter that will talk about plans and events for the neighborhood. At first it will be in print and on social media. Eventually we would like to start an e-newsletter so we can save at the printer.

We got this...

The pool has given us some trouble over the last couple years. We have teamed up with Pools by Reardon to help with our pool needs. We are working diligently during the off-season to get the pool fully operational for Summer 2019.

We will uncover the pool April 1, 2018 allowing plenty of time to work out any issues before May 22, 2019 our official opening day.

May 26th will be our official Memorial Day celebration at the pool. We will have more details at a later date but we do know there will be plenty of sun, music, food and good times for all.

Updates are happening...

Our website will be updated over the next few months. We will update the information, HOA officers and images for the website. We will also post these newsletters to the site as well.

We are also looking to add a PayPal option to the website to allow people to pay their dues via Credit/Debit Card.

Holidays are around the corner

Our Treasurer Natalie and Vice President Andrea will be adding some holiday spirit to our entry points to the neighborhood.

We listened...

On October 1, 2018 we terminated our association with PRM Management. The board felt that the money could be used to help with more pressing issues of the neighborhood.
